

**ADMINISTRATOR III
SAFETY DIRECTOR
STATE OF NEW HAMPSHIRE
PUBLIC UTILITIES COMMISSION**

The New Hampshire Public Utilities Commission is seeking a Safety Director to administer the Commission's pipeline safety and Dig-Safe programs. The starting salary for this position ranges from \$49,081.50 to \$53,898.00. The candidate should have a Master's degree from a recognized college or university with a major study in engineering, business administration, science, management or homeland security and seven years' experience in the area of pipeline safety technology, enforcement applications, administrative procedures, security, utility reliability and operations, five years of which must have been in a management level position involving administrative or supervisory duties concerned with program administration, program planning and evaluation, business management or related management experience. Each additional year of approved work experience may be substituted for one year of required formal education at the graduate level only.

Please visit our website for more information on the Public Utilities Commission and this position, <http://www.puc.state.nh.us>. An application for employment is located on www.nh.gov/hr. Please return the complete application to Public Utilities Commission, Business Office, 21 S. Fruit St., Suite 10, Concord, New Hampshire, 03301, (603) 271-6008 on or before October 14, 2004.
